

TheraCran One is a standardized, high-potency cranberry supplement formulated to support urinary tract health.** Each TheraCran One capsule provides 36 mg of proanthocyanidins (PACs),† the amount shown to be beneficial in research studies.**

TheraCran One contains CystiCran®, a whole cranberry extract providing a balanced spectrum of PACs and key cranberry phytochemicals. TheraCran One is the only cranberry supplement that has been tested and certified in the U.S.A. by NSF® International to contain the high level of PACs needed to maintain normal urinary tract health.**

The formulation of TheraCran One is overseen by the Theralogix Medical Advisory Board, composed of leading academic physicians and scientists.

Keep out of children's reach.
Store away from heat and moisture.
Dye-Free • Gluten-Free • Vegan

CystiCran® is a trademark of Naturex.
* As measured by BL-DMAC methodology, the industry standard for measuring the PAC content of cranberry products.
