Finding the Most Sustainable Proteins on Earth

Our Ancient Sprouted Barley is an amazing Superfood that is part of a Circular Food System here in the USA, allowing us to produce high quality protein from crops already harvested for other uses. Not a single additional acre was planted for this product!

Olive Leaf Extract (*Olea europaea*) containing Oleuropein, *Bacillus subtilis* DE111[®] (1 Billion CFU)

[†]Percent Daily Values based on a 2,000 calorie diet.
^{††}Daily Value not established.

Other Ingredients: Coconut Cream (Coconut Milk, Coconut Oil, Tapioca Maltodextrin), Non-GMO Natural Flavor, Sunflower Lecithin, Potassium Bicarbonate, Sea Salt, Organic Stevia (Rebaudioside A from *Stevia rebaudiana* leaf), Monk Fruit.

Contains: Tree nuts (coconut). Not gluten free.

DE111[®] is a trademark of Deerland Probiotics & Enzymes, Inc.

Allulose is naturally occurring in some foods and is nearly calorie free. Allulose has virtually no impact on blood sugar or insulin.

Soluble fiber, including beta-glucans from whole oats and barley, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, giving product to children, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.

Keep out of reach of children. Store in a cool, dry place. Do not use if safety seal is broken or missing.

Made without dairy or soy ingredients, added sugars, filler ingredients, nor artificial colors, flavors or preservatives.

ESTIMATED MINIMUM FILL

The density of the powdered ingredients in this product naturally vary from lot to lot and require space in the container at the time of packaging. Over time the powders settle, causing the container to appear less full than when it was first packaged. This product is sold by weight and not by volume.

Manufactured in a facility that also processes egg, milk, soy, wheat, fish and tree nuts. May contain traces of soy due to agricultural practices.
