30 PACKETS – 0.18 oz (5.16 g) EACH

NET WT 5.5 oz (155 g)

Dietary Supplement

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Collagen is the primary structural protein found in joints, bones, skin, nails and other connective tissues. It is responsible for maintaining the strength and elasticity/flexibility of these tissues found throughout the body.

Our **CollagenUP®** complex contains unique, enzymatically hydrolyzed, Marine Collagen Peptides with Hyaluronic Acid and Vitamin C. Our specially processed Marine Collagen is enzymatically hydrolyzed (broken down) into amino acid peptides in order to assist with absorption/bioavailability. Taken as a dietary supplement, this product provides the fundamental building blocks for support of healthy joints, bones, skin, hair & nails, providing the body with the nutrients needed to support the strength and integrity of our bodies.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

All California Gold Nutrition® products come with a 100% GOLD Guarantee. If you are not completely satisfied with your purchase, return the unused portion within 90 days for a full refund.

Suggested Usage: Mix 1 packet (5.16g) daily in approximately 2 oz of room temperature water or juice. Add an additional 6-8 oz of room temperature water or juice and mix well (for best results, mix in a blender bottle). Drink on an empty stomach at least 1 hour before or 2 hours after meals, or as recommended by a healthcare professional. Avoid taking with other foods containing protein as they may interfere with collagen absorption.

Supplement Facts

Serving Size 1 packet (5.16g)

Servings Per Container 30

	Amount Per Serving	% Daily Value
