•These statements have not been evaluated
by the Food and Drug Administration. This
product is not intended to diagnose, treat,
cure, or prevent any disease.

The animal-based enzyme capsule is designed
to delay its release in the lower intestine
region, where the environment is more alkaline
and the pH level is better suited for animal
enzyme absorption.

Directions: Take 2 capsules (1 dual dose blister pack) 2 times
daily with largest meals (4 capsules total).

Caution: Keep out of reach of children. If you are pregnant,
nursing, taking medication, or have a medical condition, consult
a health care professional prior to use.

Storage: Keep in a cool, dark place.

• Each capsule is infused with Ginger, Fennel, Tarragon, Anise,
and Lemongrass essential oil.

• Essentialzymes-4™ is formulated with a unique blend of
herbal ingredients to help meet your nutrition and
wellness goals.

The plant-based enzymes capsule is designed
to release immediately upon entering the
stomach, where the pH environment is broad,
acidic, and more conducive to plant-based
enzyme absorption.
