

The **Perfect Cleanse® Purify** formula is the first step of **Perfect Cleanse®**, supporting normal liver detoxification.[†] The liver produces 1-2 quarts of bile daily, which carries toxins, metals, microbes and other metabolic by-products that must be eliminated through the gastrointestinal tract.

Purify is formulated with botanicals that support normal detoxification, plus cracked-wall chlorella and liver antioxidants that participate in the production of detoxification enzymes.[†]

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, giving product to children, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.
