

Estroven® Pre-Menopause

is formulated to help address the physical changes associated with peri-menopause, and support a healthy metabolism.*

Safe, Estrogen &
Drug Free^{††}

Includes
Naturally Sourced
Ingredients

Brand of Choice
Among Women &
Pharmacists[‡]

Only 1 Capsule Per Day

No two women experience menopause the same. Peri-menopause and menopause may come with unpredictable physical and emotional changes. Estroven® offers a full line of products formulated to go beyond hot flashes and night sweats for **multi-symptom relief.***

To learn more, visit www.Estroven.com

DIRECTIONS:

Take (1) capsule daily with or without food. May be taken at any time of day. For best results, daily use for a minimum of 60 days is important.

For questions, concerns, or to report an adverse event, please call 1-877-ESTROVEN or visit www.estroven.com

Slight variations in capsule color may occur due to the naturally sourced colorants. Store at room temperature. Do not expose to excessive heat, humidity or direct sunlight. As with any dietary supplement, please inform your healthcare professional before taking. Do not take if pregnant, breastfeeding or intending to become pregnant. Keep out of reach of children.

Tamper Evident: Product is sealed within blisters. Do not use if any part of the blister is torn, open or damaged. [‡]Based on: Nielsen xAOC 52 W/E 1.23.21 and the #1 Pharmacist recommended menopause brand based on the 2020 Pharmacy Times OTC Survey.

^{††}Estroven® does not contain synthetic, animal, or human derived hormones.
