Bio-Kult®

45 CAPSULES

Pro-Cyan®

Advanced Multi-Action Formulation*

What is a probiotic?

Probiotics are live, beneficial microorganisms that can positively affect your digestive and immune systems by maintaining the balance of good bacteria throughout your digestive tract*.

Why Bio-Kult Pro-Cyan?

Bio-Kult Pro-Cyan is an advanced multi-action formulation* suitable for women, men and children. The specifically selected probiotic strains and Vitamin A support normal function of the immune system and the maintenance of mucous membranes such as those lining the urinary tract*.

Directions for use*:

Take 1-2 capsules once or twice daily with food.

Pregnancy:

Bio-Kult Pro-Cyan has been formulated to be suitable for use during pregnancy, but we would always suggest consulting your doctor or healthcare practitioner before taking any dietary supplement.

Children under 12:

Take half adult dose.

Do not exceed recommended daily intake.

*If you are taking any medications or have any medical conditions, please consult your doctor before taking any dietary supplements.

Strength:

500 million probiotic microorganisms (>5 x 10⁹ CFU/ capsule), equivalent to 1.2 billion probiotic microorganisms per gram (1.2 x 10⁹ CFU/gram).

Concentration of 500 million microorganisms per capsule throughout the shelf life.

Allergen advice:

Bio-Kult Pro-Cyan contains soy and milk used in the fermentation process. Bio-Kult Pro-Cyan is a non-GMO product.
