NutriBiotic® Vitamin C + D₃ & Zinc capsules deliver 100% pharmaceutical grade vitamin C, vitamin D, and zinc, all essential nutrients to the body.

- **Vitamin C:** contributes to immune defense by supporting various cellular functions of both the innate and adaptive immune systems.* Vitamin C also provides antioxidant protection to the immune system, as well as maintains the health of blood vessels, tissue, cartilage, bones, eyes, and other organ systems.*
- **Vitamin D:** crucial for the activation of immune defenses and helps support strong bones and healthy cognitive function.*

- **Zinc:** essential for immune system function, including immune cell development and communication.* May also help reduce oxidative stresses and inflammatory responses.*

Suggested Use: For adults only. Take 2 capsules daily, preferably with a meal or as directed by a healthcare practitioner.

CAUTION: As with any supplement, you should consult your healthcare practitioner before using this product. Keep out of reach of children. If you are nursing, pregnant, or considering pregnancy, you should consult your healthcare practitioner prior to using this product.
