NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product. Capsules filled by weight, not by volume.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no artificial color, flavor or fragrance.

Lutein and zeaxanthin help shield the eye's retina from damage by supporting healthy macular pigment density. Source Naturals **ZEA-TEIN 20/20™** provides lutein and zeaxanthin, sourced from the marigold flower. These important carotenoid pigments aggregate in the retina and provide protection from the damaging effects of free radicals and ultraviolet light. Clinical studies suggest that this lutein-zeaxanthin dosage can support healthy macular pigment density, visual processing speed, and reaction time. Preliminary evidence also indicates that lutein supplementation may help support healthy cognitive performance.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
