

Let's be honest: 'Merica is the best at pretty much everything. Sports, fireworks, putting foods inside other foods. We got it all. You might even call us supreme. So it only makes sense that the most 'Merican brand ever, 'Merica Labz, would make a supreme amino product – Suprimos.

What makes Suprimos is the research-backed blend of branched chain amino acids (BCAAs) and the remaining six essential amino acids (EAAs). This ratio is reflected in the clinical research as the most effective for contributing to healthy levels of endurance, stamina, exercise performance and recovery. Paired with the patented ingredient Aquamin™ and electrolytes for hydration and performance, our blend addresses all your major needs without sacrificing taste or mixability.

WARNING: This product is only intended for use in healthy adults 18 years of age or older. Pregnant or nursing women should not use this product. Consult your healthcare provider before using this product, especially if you are taking any prescription, over the counter medication, dietary supplement product, or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Immediately discontinue use and consult your health care professional if you experience adverse reaction to this product. Do not exceed recommended serving. Do not use if safety seal is broken or missing. Keep out of reach of children.

DIRECTIONS: Mix 1 scoop with 12-20 ounces of water and shake well. Consume immediately before and during training. Additional servings can be taken throughout the day.
