

LactoBif® Plus may help promote a healthy digestive system and urinary tract.*

25 Billion CFU of probiotics from eight active and clinically researched strains, plus Cran-Max® for a well-rounded formula. Taken on a regular basis, probiotics may help balance intestinal flora which is key for overall well being*.

Cran-Max® is delivered by a unique, patented delivery system called Bio-Shield® Technology. Bio-Shield® Technology protects the Cran-Max® as it passes through the digestive system until it reaches the lower gastrointestinal tract where it can be better absorbed.

¹In Vitro studies conducted by probiotic raw material supplier.

²No refrigeration needed, the individually double foil sealed capsules help maintain the quality of LactoBif® Plus.
