Quality

135 Grams - Powder Drink

Creatine supplementation supports healthy muscle. Great addition to any strength training routine. Our formula provides 3 creatine sources for improved absorption, and added brown rice protein provides essential amino acids.*

USAGE: Mix two scoops to 8-12 oz. of water. Experts recommend loading for best results. **To Load:** Take 1 serving 4x a day for 5 days. **To Maintain:** Take 30 min before workout or directly after. Drink an extra 16 oz. of water per day for every serving used.

EDS®: Added enzymes for better absorption & breakdown.
