

PROSTARA Prostate Formula contains a powerful synergistic combination of natural herbs and nutrients to support a healthy prostate gland, including Saw Palmetto Extract, Lycopene and Beta-Sitosterol, which are intended to promote normal prostate function and urine flow, as well as protecting against excess estrogen.

DIRECTIONS: Adult Males, take two (2) capsules of Prostara with a full glass of water, twice per day, morning and early evening.

WARNINGS: Do not use if seal under cap is damaged or missing. Not for use by men under the age of 18. Not for use by woman. If experiencing prostate-related pain or bleeding, consult a physician before taking this product. If taking a prescription, medication, or planning to have surgery, consult a physician before taking this product. **KEEP OUT OF THE REACH OF CHILDREN.**
