Made without dairy or soy ingredients, added sugars, filler ingredients, nor artificial colors, flavors, sweeteners or preservatives. Manufactured in a facility that also processes egg, milk, soy, wheat, peanut and shellfish.

The density of the powdered ingredients in this product naturally vary from lot to lot and require space in the container at the time of packaging. Over time the powders settle, causing the container to appear less full than when it was first packaged. This product is sold by weight and not by volume.
