

WAKUNAGA

Formula 101 is a blend of Aged Garlic Extract™, gamma-aminobutyric acid (GABA), and vitamins B1, B6 and B12 designed to naturally promote mental, emotional, and physical balance to reduce fatigue, increase alertness, and support healthy relaxation.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
