

WAKUNAGA

Formula 109 contains a unique, natural combination of Nattokinase and Suntheanine® with Aged Garlic Extract™ to support healthy blood pressure levels, already within normal ranges.*

Kyolic® Aged Garlic Extract™ (AGE) starts with organically grown garlic. It is then aged using a proprietary process which removes odor-causing compounds attributed to raw garlic and increases the bioavailable, beneficial compounds.*

Do not use if outer safety band or inner seal is broken or missing. Store in a cool, dry place with lid tightly closed. Keep out of reach of children.
