ArcticPure® Fish Oil Concentrate	1.25 g	†
Yielding:		
EPA (Eicosapentaenoic Acid)	450 mg	†
DHA (Docosahexaenoic Acid)	340 mg	†
Other omega-3 Essential Fatty Acids	60 mg	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: gelatin, glycerin, purified water, α -tocopherols, polyacrylic resin, talc, triethyl citrate, and polyethylene glycol.

Contains fish (anchovy) and soy.

Suggested Use: 1 softgel twice daily with meals.

Do not use if either tamper-evident seal is broken or missing.
Keep out of the reach of children.

CAUTION: If you are pregnant, may become pregnant, or breastfeeding, have any blood coagulation disorder, or are taking any prescription medication such as warfarin (Coumadin®), consult your health care professional before using this product. Discontinue use before any surgical procedure.

Fish oils with EPA and DHA support the healthy functions of the brain, joints, and circulatory system. This enteric-coated, high potency softgel is digested in the intestine, not the stomach, for additional, focused benefits to the small intestines and colon. It contains a potent 850 mg of omega-3. ArcticPure® uses a series of advanced molecular distillation processes to extract and concentrate the beneficial fatty acids from the raw oil, resulting in a product of outstanding purity. The state-of-the-art encapsulation ensures an oil as pure as any oil available worldwide.*

STORE IN A COOL, DRY PLACE.

Contains no yeast, dairy, egg, gluten or wheat. Contains no sugar, starch, salt, or artificial color, flavor or fragrance.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
