Source Naturals **ARTHRED® COLLAGEN** is a hydrolyzed collagen product designed to nutritionally support healthy joint function. Arthred was originally developed and patented in Germany from bovine sources, based on research showing collagen's benefits for the connective tissue needed for healthy skin and joints. Arthred's patented formula consists of 19 amino acids bonded together in polypeptide chains. The potential benefits of ARTHRED COLLAGEN may be felt in 3 months.*

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
