DIETARY SUPPLEMENT

ARTICHOKE EXTRACT 500™

PROMOTES FAT DIGESTION AND METABOLISM*

500 MG • 180 TABLETS

Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	%DV
Calcium	37 mg	4%
Artichoke Aerial Parts Extract (Standardized to 5% Cynarins)	500 mg	†

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, silicified microcrystalline cellulose, stearic acid, modified cellulose gum, and silica.

Artichoke extract stimulates bile production, promoting fat digestion and metabolism. By stimulating bile, it supports liver and gallbladder function and may help relieve occasional indigestion. Medical experts theorize that it may also inhibit activity of the cholesterol production enzyme HMG CoA Reductase to balance LDL cholesterol and triglyceride production in the liver for cardiovascular support.* Source Naturals **ARTICHOKE EXTRACT 500™** is standardized to 5% cynarins for maximum potency.

Suggested Use: 1 tablet daily with a meal.

NOTE: If you are pregnant, may become pregnant, or breast-feeding, consult your health care professional before using this product.

CAUTION: Do not take this product if you have gallstones or a bile duct obstruction, or are allergic to ragweed, chrysanthemums, marigolds, or daisies.

Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
