L-Glutamic Acid, L-Lysine HCl, L-Leucine, L-Tyrosine, L-Aspartic Acid, L-Alanine, L-Glutamine, Glycine, L-Threonine, L-Methionine, L-Serine, L-Valine, L-Proline, L-Phenylalanine, L-Isoleucine, L-Ornithine HCl, L-Arginine, L-Histidine, L-Cysteine HCl, L-Cystine, Taurine, L-Carnitine Fumarate, and L-Citrulline.		
†Daily Value not established.		

Other ingredients: stearic acid, dibasic calcium phosphate, modified cellulose gum, silica, and magnesium stearate.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

AMINO ATHLETE™ is a balanced blend of 23 amino acids, some of which are involved in the natural maintenance of muscle tissue, while others assist in the utilization of fatty acids for energy. This is an excellent supplement for people who want to maximize the benefits from exercise and competition.*

Suggested Use: 1 tablet 1 to 4 times daily with meals, especially prior to athletic activity. KEEP TIGHTLY CLOSED after each use. Moisture absorption by some amino acids may cause tablet disintegration.

WARNING: Contains phenylalanine and tyrosine. Not to be used by phenylketonurics, women who are pregnant, may become pregnant, or breastfeeding, or with antidepressant drugs containing MAOIs or SSRIs. If you have chronic high blood pressure, consult your health care professional before using this product.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
