| †Daily Value not established.                            |                    |     |

Other ingredients: dibasic calcium phosphate, sorbitol, silica, modified cellulose gum, stearic acid, and magnesium stearate.

Cat's claw (*Uncaria tomentosa*) is an herb that grows in the rain forests of the Peruvian Amazon where it has been used for centuries by the indigenous Peruvians. Recent research has discovered that its inner bark contains unique active alkaloid constituents known as oxindole alkaloids, that help support the body's immune system.\*

**Suggested Use:** 1 tablet 1 to 2 times daily.

**WARNING:** Do not use if you are pregnant, may become pregnant, or breastfeeding.

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.
