DIETARY SUPPLEMENT

CHEM-DEFENSE™

**MOLYBDENUM/GLUTATHIONE COMPLEX
ORANGE FLAVORED**

90 LOZENGES

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	%DV
Total Carbohydrate	1 g	<1%*
Riboflavin	1.6 mg	123%
(as flavin mononucleotide [Coenzymated™])		
Molybdenum	120 mcg	267%
(as molybdenum amino acid complex)		
L-Glutathione (reduced)	50 mg	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: sorbitol, mannitol, natural orange flavor, and magnesium stearate.

Contains soy.

Suggested Use: 1 lozenge 1 to 3 times daily. For best results, allow to dissolve in the mouth before swallowing.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

CHEM-DEFENSE™ is a nutrient blend formulated for persons with chemical sensitivities. Recent scientific research indicates that molybdenum, a trace mineral which activates the enzymes aldehyde oxidase and sulfite oxidase, may provide necessary nutritional support for chemically sensitive individuals. Glutathione (GSH) is a key element of the liver's detoxifying process, and is also the precursor for glutathione peroxidase, a major free radical-scavenging enzyme. Riboflavin is the precursor for FAD, a coenzyme which recycles used GSH.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
