†Daily Value not established.

Other ingredients: dibasic calcium phosphate, sorbitol, stearic acid, modified cellulose gum, silica, and magnesium stearate.

Suggested Use: 2 tablets, 1 to 2 times daily.

STORE IN A COOL, DRY PLACE.

Chondroitin sulfate (CSA) is a mucopolysaccharide found in cartilage, tendons and ligaments, where it is bound to proteins such as collagen and elastin. In our joints, it contributes to strength, flexibility and shock absorption. Current research indicates that supplemental CSA may help maintain proper joint function.*

WARNING: If you are pregnant, may become pregnant, breastfeeding, or regularly taking any drug such as acetaminophen, warfarin (Coumadin®), or heparin, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no starch, preservatives, or artificial color, flavor or fragrance.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
