Fiber Choice® Fruity Bites

Fiber Gummies in tasty flavors

DIRECTIONS: Chew 2 gummies up to 4 times a day. Start with 2 gummies, once a day. Then increase dose at steady intervals, preferably with a meal, to enable the microbiome to better adjust to the prebiotic benefit. If discomfort is felt, reduce dose. Do not exceed 8 gummies a day.

Fiber Choice®

Why is Fiber Choice® The Smart Choice®?

Fiber Choice® is made with inulin, a fiber found in many fruits and vegetables. Inulin is a prebiotic fiber, meaning it stimulates the growth and activity of the friendly good bacteria that live in your digestive system.*

Prebiotic Fiber Nurtures Your Digestive Health*

It keeps food moving through your system, supporting your digestive tract and helping to support regularity.*

Prebiotic Fiber Helps Maintain a Healthy Immune System*

A healthy digestive tract is vital for a healthy immune system.*

Inulin helps keep your digestive tract balanced and the bad bacteria in check.*

Prebiotic Fiber Supports Good Overall Health*

Daily intake of fiber is an important part of your overall good health.* Most American only get about half of the recommended 25-38 grams of fiber each day. So when you can't get the fiber you need from healthy foods, Fiber Choice® is a simple and tasty way to help close The Fiber Gap®.

AGE	SERVING SIZE
