Yielding:		
Chondroitin Sulfate	200 mg	†
Hyaluronic Acid	100 mg	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: stearic acid, natural peppermint flavor, modified cellulose gum, and silica.

Suggested Use: 1 tablet twice daily.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Hyaluronic acid is a major component of joint tissue. It helps to hold lubricating moisture in joints and cartilage, which affects their resilience, elasticity, and strength. Source Naturals **HYALURONIC ACID** is made from patented BioCell Collagen®, which has undergone a hydrolysis process that yields low molecular weight hyaluronic acid, chondroitin sulfate, and collagen type II peptides. These elements make it a multifaceted ingredient, which may help support joint function and the appearance of healthy skin.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
