Diabetic

GNC Mega Men® Diabetic Support Vitapak® Program is physician endorsed by Frank J. Costa, M.D., an internationally acclaimed urological surgeon, men's health expert, and member of the GNC Medical Advisory Board.

"Men who are monitoring their blood sugar levels need extra nutritional support. I highly recommend the Mega Men® Diabetic Support Vitapak® Program for men who are looking for a premium product that can help them with their daily blood sugar management goals. It offers an advanced multivitamin formula plus a nutrition and lifestyle plan that promotes overall health and wellness, as well as key blends of powerful ingredients that support the special health concerns related to diabetes." — Frank J. Costa, M.D.

Why Should I Use Mega Men® Diabetic Support Vitapak® Program?
Mega Men® Diabetic Support Vitapak® Program is scientifically designed for the special dietary needs of people with diabetes and is formulated to provide optimal health benefits when taken as directed every day. Use Mega Men® Diabetic Support Vitapak® Program in conjunction with a nutritionally balanced diet suitable for persons with diabetes to help maintain healthy blood sugar levels and improve circulation and eye health.*

How Can Mega Men® Diabetic Support Vitapak® Program Benefit Me?
Mega Men® Diabetic Support Vitapak® Program is specially formulated with ingredients that are important for helping men maintain overall health and wellness.* It also contains nutrients that address the primary health concerns of people with diabetes: blood glucose support, eye health and circulatory health.*

How Does Mega Men® Diabetic Support Vitapak® Program Work?
Mega Men® Diabetic Support Vitapak® Program includes the following components to help you achieve your daily nutritional goals:

- **Mega Men® Diabetic Support –** This powerful multivitamin not only supports overall health and wellness, but also includes premium blends of herbs, antioxidants and other premium nutrients that support the health concerns of men who are monitoring blood sugar levels.*
- **Blood Glucose Support –** Formulated with key ingredients such as chromium, which is involved in normal glucose utilization and maintaining glucose homeostasis, as well as turmeric, a powerful antioxidant. Includes cinnamon, bitter melon and fenugreek for added support.*
- **Circulation & Metabolism Support –** Provides premium resVida® Resveratrol, clinically shown to significantly enhance blood vessel dilation. Also delivers L-carnitine, which facilitates the metabolism of long chain fatty acids, and alpha-lipoic acid, which plays an important role in cellular energy metabolism.*
- **Concentrated Mini Fish Oil –** A high-potency dose of 5 times purified fish oil providing 501 mg of omega-3 fatty acids DHA and EPA. Fish oil supports the body's natural anti-inflammatory response and is necessary for optimal eye function, circulatory health and cardiovascular health.*
