DIETARY SUPPLEMENT

L-ASPARTIC ACID

NET WT. 3.53 OZ. (100 GRAMS)
POWDER

Supplement Facts

Serving Size 1/2 Teaspoon (approx. 1.9 g)
Servings Per Container 52

Amount Per Serving	%DV
Calories	10
L-Aspartic Acid	1.9 g †
†Daily Value not established.	

L-Aspartic acid plays a vital role in energy production. It is one of the components necessary to move high-energy NADH molecules from the main body of a cell to its mitochondria, or primary energy-production areas. Once there, the NADH is used to generate ATP, the energy fuel that powers all the cell's activities. Besides helping with energy production, L-Aspartic acid is a major excitatory neurotransmitter.*

Suggested Use: 1/4 to 1/2 teaspoon daily between meals, mixed in water or juice.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
