Servings Per Container 60

	Amount Per Serving
L-Citrulline	2 g†

†Daily Value not established.

Other ingredients: stearic acid, maltodextrin, silicified microcrystalline cellulose, microcrystalline cellulose, modified cellulose gum, and magnesium stearate.

Suggested Use: 2 tablets three times daily.

WARNING: Consult your physician prior to using this product if you are pregnant, may become pregnant, breastfeeding, or if you are taking prescription medications for conditions such as heart disease or erectile dysfunction. Not recommended for use following a heart attack.

STORE IN A COOL, DRY PLACE.

L-Citrulline is a natural amino acid that supports sports performance and good health, while at the same time helping the liver detoxify. L-Citrulline helps the body rid itself of ammonia, a by-product of intense exercise. This clearing enables the body to recover after a workout, and it frees ATP energy for enhanced uses such as respiration and signal transduction.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, gluten or soy. Contains no preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
