DIETARY SUPPLEMENT

FREE-FORM

L-CYSTEINE

NET WT. 3.53 OZ. (100 GRAMS)

POWDER

Supplement Facts

Serving Size 1/4 Teaspoon (approx. 1.2 g)

Servings Per Container 83

Amount Per Serving

L-Cysteine HCl (as L-cysteine hydrochloride monohydrate)	900 mg†
--	---------

†Daily Value not established.

L-Cysteine is a crystalline free-form amino acid that is active in many body processes. L-Cysteine works in the liver to protect the body from harmful substances and may help to prevent oxidation of tissues. L-Cysteine, along with L-glutamic acid and glycine, is the rate-limiting precursor in the synthesis of glutathione peroxidase (one of the body's main antioxidant enzymes), which minimizes lipid peroxidation (fats turning rancid).*

Suggested Use: 1/4 teaspoon per day between meals. If you experience stomach irritation, take with meals.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
