made with RAW Whole Food Vitamins and Minerals-providing targeted delivery of

Your body is designed to recognize and utilize nutrients best when they come from

food. Each individual nutrient delivered to your body from food comes intact with its

rutrent. When vitamins or minerals are isolated from food or synthesized in a lab, the

cofactors can be removed, inhibiting their ability to effectively nourish your body.

if you are going to supplement, you should seek out a whole food liquid multivitarrin

Go beyond vitamins and minerals with Vitamin Code Liquid. You only get one body.

 100% RAW Whole Food Vitamins and Minerals—No Isolates or Synthetic Nutrients No Sodium Benzoate or Potassium Sorbate No other liquid multivitamin that we know of can make these claims.
