

SAMe May Help Support Healthy:

• Joints

SAMe may help support healthy inflammatory processes in the body, and also help stimulate collagen production, thus assisting with joint mobility & function.*

• Liver

SAMe facilitates healthy methylation enzymatic processes as well as increased levels of hepatic glutathione, an antioxidant which is vital to a healthy liver.*

• Mood

SAMe methylation reactions are involved in the synthesis of neurotransmitters such as dopamine, epinephrine, phosphatidylcholine and serotonin, which may support a healthy mood.*

400mg

S-Adenosyl Methionine from
Ademetionine 1, 4-Butanedisulfonate

Supports Healthy:
Joints* • Liver* • Mood*

Suitable for Vegetarians

NO Gluten
NO GMOs
NO Soy

60 Enteric Coated Tablets
Dietary Supplement

Our SAMe is produced in a temperature-controlled (low temperature - low humidity) environment, using a proprietary fermentation process to ensure high (S,S) Isomer levels.

Our tablets are enteric coated with a plant-based coating system, and are double-foil blister sealed ensuring product integrity and protection from Light, Moisture and Oxygen.

Formulated without plasticizers or synthetic co-polymers.

Double-Foil Blister Pack:

- Foil Cavity (foil area/tray where capsules are placed)
- Foil Lid (foil layer/backing that seals the capsules in the Foil Cavity)

Benefits of Individually, Double-Foil Blister Sealed Products:

- Optimal Barrier to Light, Moisture and Oxygen
- Ensures Product Integrity & Protection
- Tamper Resistant and Tamper Evident
- Durable

All California Gold Nutrition® products come with a 100% GOLD Guarantee. If you are not completely satisfied with your purchase, return the unused portion within 90 days for a full refund.

Suggested Usage: Take 1 tablet daily with or without food. Best when taken as directed by a qualified healthcare professional.

Supplement Facts

Serving Size: 1 Tablet
Servings Per Container: 60

	Amount Per Serving	%Daily Value
SAMe (S-Adenosyl Methionine) (from 800 mg of Ademetionine 1,4-Butanedisulfonate)	400 mg	†

† Daily Value not established.

Other Ingredients: Microcrystalline Cellulose, Croscopovidone, Colloidal Silica, Non-GMO Magnesium Stearate (Vegetable Source), Veggie-based Coating (Ethylcellulose, Medium Chain Triglycerides, Oleic Acid, Hypromellose, Talc, Hydroxypropyl Cellulose, Sodium Alginate, Stearic Acid).

This product is not manufactured with milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat, soy or gluten. Produced in a third-party, audited and registered cGMP compliant facility that may process other products that contain these allergens or ingredients.

Warnings: Keep out of the reach of children. Do not use if pregnant or nursing. Individuals using physician-prescribed medications such as L-Dopa or Antidepressants (e.g., Selective Serotonin Re-Uptake Inhibitors [SSRIs] and MAO Inhibitors) should consult a physician before using SAMe. Individuals with Parkinson's disease, bi-polar disorder or manic depression should not use SAMe. Do not exceed recommended intake. Please consult with a physician, pharmacist, naturopath or other qualified healthcare professional prior to taking dietary supplements.

NOTE: SAMe may cause headaches & gastrointestinal disturbances (e.g., diarrhea, flatulence & nausea) in some individuals. Please discontinue use if you experience any of these issues.

Individually Double-Foil Blister Sealed for quality and your protection. Do not use if Blister Pack material is punctured or missing. Best stored at Controlled Room Temperature (CRT) 20°C to 25°C (68°F to 77°F). Improper storage conditions, such as extended exposure to direct sunlight, high heat & humidity can cause product degradation over time.
