Dietary Supplement | **360** Easy-to-Swallow Capsules

Andrew Lessman's ALOE VERA 200 provides 200 mg of our exceptional 200:1 ultra-concentrate of pure **Aloe Vera** derived from the prized inner fillet of the *Aloe Barbadensis* plant. Our **Aloe Vera** is grown in exceptionally fertile soil and never exposed to frost while growing or heat during production. Our **Aloe Vera** also meets the most rigorous standards of the International Aloe Science Council to ensure it is of the highest quality and purity. Used externally, the **Aloe Vera** plant has been relied upon for centuries to support the body's wound-healing capabilities, as well as to soothe skin irritation, such as sunburn. Used internally, **Aloe Vera** is most respected for the relief it provides to the stomach and digestive system where it supports the health and integrity of the gastrointestinal lining. Its soothing benefits have also been noted for our joints and immune system. **Aloe Vera's** myriad of benefits result from its rich array of healing substances and our pure **Aloe Vera 200** is specifically designed to deliver high levels of these beneficial compounds as economically and conveniently as possible.
