

To report a serious adverse event, or for product information, contact 1-800-234-8686

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially those that could affect glucose levels), or have a medical condition (especially blood sugar control disorders). Keep out of reach of children.
Diabetics: Use only under a physician's supervision.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

GTF Chromium is a biologically active form of chelated Chromium known as Chromium Chelavite®. * This form of Chromium is also known as "Glucose Tolerance Factor" (GTF) because it is most similar to the form that was originally isolated from a food source.

Suggested Usage: Take 1 tablet 1 to 2 times daily with food.
