COOPER CO.

NIACIN

500 mg

Sustained Release

DIETARY SUPPLEMENT

100 Tablets

DISTRIBUTED BY:

DOUGLAS COOPER CO., CARMEL, IN 46032

Suggested Usage: Take 1 tablet daily with a meal. This high potency tablet should be taken under doctor's supervision.

Niacin supplements may sometimes temporarily cause flushing and/or itching, but this sustained release tablet should minimize those symptoms. To further limit these uncomfortable but not dangerous symptoms, take daily and avoid missing doses.

Caution: For adults only. Physician supervision is recommended while taking this product. Not recommended for pregnant/nursing women. Notify physician if taking medication (especially anticoagulant medications, including NSAIDs) or have a medical condition (especially cardiovascular disease, liver problems, inflammatory bowel disease, diabetes, gout, or migraine headaches). Transient GI symptoms may occur at inception of treatment, consult physician if symptoms persist. Keep out of reach of children.

Supplement Facts
