CRANBERRY BENEFITS™

POWERFUL ANTI-OXIDANT
URINARY TRACT SUPPORT

DIETARY SUPPLEMENT

PROCAPS LABORATORIES

ALL-SOLAR MANUFACTURING

240 Easy-to-Swallow Capsules

Andrew Lessman's CRANBERRY BENEFITS is a highly concentrated standardized extract of **Cranberry** fruit. **Cranberry** has been used for centuries as a traditional remedy and celebrated for its ability to support the health of the urinary tract, kidneys and bladder. In recent decades, clinical studies have validated **Cranberry's** extensive and wide-ranging health benefits, which include **Cranberry's** positive impact on the pH of the urinary tract, along with its contribution to a healthy balance of protective friendly flora in the bladder and kidneys. **Cranberry Benefits** utilizes a 17 to 1 **Cranberry** concentrate that is standardized for fruit acids and Proanthocyanidins. **Cranberries** contain an abundance of powerful, protective compounds (Proanthocyanidins and Anthocyanidins) that scavenge and quench free radicals throughout your body before they can cause cellular damage. **Cranberry** fruit also contains **Vitamin C** in nature, so we complement this formula with the daily recommended intake for **Vitamin C**. **Cranberry** is among the healthiest of fruits, but until it becomes a staple in the Western diet, feel free to enjoy our healthy **Cranberry Benefits** without the sugar and calories of typical cranberry juice.
