Timed Release TERRA Intelligent Dosing® allows **PERFORMIX®** to extend the key benefits of **SST V3X** over time.

SUPERCHARGED ENERGY

SST V3X is the hardest hitting product in the **SST** line. Fuel every workout, every workday, every ambition with supercharged energy through **SST V3X**. The Suspension Terra Thermo Complex in **PERFORMIX® SST V3X** features TERRA Pod Ballistic Beadlets that are packed with powerful, hard-hitting ingredients including Caffeine, TeaCrine®, Dynamine® and Yohimbine to stimulate thermogenesis, creating and supporting energy. The combination of TeaCrine®, and Dynamine® helps extend the experience of Caffeine allowing you to stay energized throughout the entire day.¹

INTENSE MENTAL FOCUS

Don't compromise physical performance with subpar mental function. **PERFORMIX® SST V3X**'s powerful combination of Caffeine, Huperzine A and Dynamine® elevates your mind's role in peak performance, and when working together, these ingredients enhance cognitive focus and mood, allowing you to stay sharp and alert to be at your absolute best.¹

FAT METABOLISM

An addition to your diet and exercise regimen that works as hard as you do. **PERFORMIX® SST V3X** promotes increased resting metabolic rate, thermogenesis and energy expenditure for ultimate fat burning and lean muscle development. This formula also provides Medium Chain Triglycerides for a fat-derived energy source, primed for absorption.¹
