DIETARY SUPPLEMENT

PANTETHINE

SUPPORTS CHOLESTEROL WELLNESS*

300 MG • 90 TABLETS

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	
Pantethine (coenzyme A precursor)	300 mg †

†Daily value not established.

Other ingredients: microcrystalline cellulose, modified cellulose gum, silica, and stearic acid.

Suggested Use: 1 tablet with meals three times daily.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, or taking any prescription drugs such as statins, consult your health care professional before using this product.

Pantethine is a precursor to coenzyme A, which plays a central role in the production of cellular energy via the Krebs cycle. Pantethine is utilized by our body as a source of vitamin B5, commonly known as pantothenic acid. Pantethine can also help maintain liver and cholesterol health. The suggested daily use of this product provides the amount of pantethine shown in clinical studies to support healthy blood lipid levels already within the normal range.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.

Contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.
