

WHO WE ARE Founded in 1977, we are a family-run company that has been formulating and manufacturing proven nutritional products for dedicated athletes. Our products are found in over 90 countries around the world. **CLASSIC SERIES** Since the 70s, we've been dedicated to making some of the finest nutritional products for world-class bodybuilders. Today, the new Classic Series still represents our steadfast commitment to those individuals seeking to achieve strength and perfection in the gym. **GH MAX** Growth hormone (GH) can add lean mass by stimulating protein synthesis and increasing nitrogen retention in muscles. Universal Nutrition's GH Max™ is the ultimate GH support formula. It is designed for the elite strength athlete who is interested in optimizing strength and power. GH Max™ is enhanced with arginine and ornithine, along with other anabolic support nutrients, to help you reach your strength goals.†

- Maximum Strength GH
- Increase Anabolic Potential†
- Enhanced With Arginine & Ornithine
