†Daily value not established.

Other ingredients: microcrystalline cellulose, stearic acid, hydroxypropyl cellulose, silica, dibasic calcium phosphate, modified cellulose gum, and magnesium stearate.

Contains soy.

Suggested Use: 4 tablets daily, with breakfast or lunch. Do not exceed recommended intake.

There are smart choices that can be made to improve mental performance. Whether it's for cognitive health, memory support, or an occasional brain boost, Source Naturals **BRAIN CHARGE®** provides an array of science-backed herbs and nutrients to support the maintenance of healthy cognitive function. This formula's clinically researched ingredients include vinpocetine for healthy cognition and gotu kola for healthy memory. Huperzine A and acetyl-L-carnitine are included for learning and memory support, based on preclinical studies. Coenzyme Q10 and acetyl-L-carnitine provide essential components for cellular energy production and brain metabolism.*

WARNING: For adult use only. Do not use this product if you are pregnant, may become pregnant, or breastfeeding, or are taking aspirin or other blood thinners. Consult your physician before using this product if you have any medical condition, or are taking any medications, including antidepressants, MAOIs or acetylcholinesterase inhibitors. If symptoms of nausea, bleeding, or muscle twitches occur, discontinue use or reduce dosage and consult your healthcare professional.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
