Policosanol (from sugar cane)	20 mg	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.
†Daily Value not established.

Other ingredients: microcrystalline cellulose, stearic acid, silica, and magnesium stearate.

STORE IN A COOL, DRY PLACE.

Suggested Use: 2 tablets, in the evening, for the first three months. Thereafter, 1 to 2 tablets daily.

CAUTION: If taking anti-platelet medication, such as daily aspirin, consult your health care professional before using this product. Not for use by women who are pregnant, may become pregnant, or breastfeeding.

Source Naturals **POLICOSANOL**, part of the *Cholesterol Rescue™* family of products, is a blend of compounds isolated from natural plant waxes. Policosanol contains several long chain fatty alcohols, including octacosanol, hexacosanol and triacontanol. Animal and *in vitro* research has shown that these compounds may support the cardiovascular system and inhibit lipid peroxidation as well as support macrophage activity.* Coenzyme Q10 has been added to promote adequate levels of this important nutrient. Research indicates that CoQ10 levels in the body may be lowered by compounds that work on the same metabolic pathway as policosanol. CoQ10 supports the cardiovascular system and cellular energy production.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
