NEUROPROTECTIVE COGNITIVE SUPPORT*

60 TABLETS

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving %DV		
Calcium	32 mg	3%
BioPQQ® Pyrroloquinoline Quinone Disodium Salt	20 mg	†

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, microcrystalline cellulose, stearic acid, magnesium stearate, and silica.

Suggested Use: 1 tablet daily.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

PQQ is a newly discovered micronutrient that is naturally found in foods such as soybeans, parsley, and green pepper. Recent pre-clinical research suggests that as an antioxidant it may profoundly impact nerves and neurological health. Human studies indicate it may help improve cognitive function. PQQ supplementation also promotes mitochondrial biogenesis, which may contribute to slowing the aging process and increasing energy levels.*

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

STORE IN A COOL, DRY PLACE.
