Servings Per Container 30

|                                        | Amount Per Serving | %DV  |
|----------------------------------------|--------------------|------|
| Total Carbohydrate                     | 1 g                | <1%* |
| Calcium (as dibasic calcium phosphate) | 162 mg             | 12%  |
| Polygonum cuspidatum Root Extract      | 1 g                | †    |
| Standardized to 8% Total Resveratrols  |                    |      |
| Yielding:                              |                    |      |
| Total Resveratrols                     | 80 mg              | †    |
| trans-Resveratrol                      | 20 mg              | †    |

\*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, silica, and magnesium stearate.

**Suggested Use:** 2 tablets twice daily.

**WARNING:** Do not use if you are pregnant, may become pregnant, or breastfeeding.

Resveratrol is a compound produced by grapes and other plants for protection from environmental stresses. Recent studies have demonstrated that resveratrol activates SIRT1 genes, which mimic the healthy aging benefits of caloric restriction. Source Naturals **RESVERATROL** may support heart health by providing the antioxidant protection needed for healthy circulation, and by inhibiting inflammation messengers including NF kappa B.\*

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
