†Not a significant source of saturated fat, trans fat, cholesterol, dietary fiber, vitamin A, vitamin C, calcium or iron.
*The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.
†Daily Value not established.

Ingredients: 100% pure xylitol (from birch/beech tree).
XYLISMART® xylitol is a sugar substitute derived from plants. Frequent consumption of between-meal snacks high in sugar and starches can promote tooth decay, while the sugar alcohol xylitol may reduce the risk of dental caries. XYLISMART xylitol is known as a low-glycemic index (GI) sweetener due to its slow absorption into the bloodstream, which does not result in the rapid changes in blood glucose concentrations in response to sucrose. XYLISMART xylitol looks and tastes as sweet as sugar, but with 40% fewer calories and without any of the downsides of sugar, and delivers a cool, refreshing aftertaste.*

Suggested Use: As a sugar substitute, add in amounts satisfactory to your taste.
CAUTION: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product. If abdominal discomfort or diarrhea develops, reduce dosage or discontinue use.

WARNING: Xylitol is safe for people, but harmful to dogs. Do not feed to pets.
STORE IN A COOL, DRY PLACE.

†† Not Genetically Modified.
Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.
*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
