

AMERICA'S FINEST, INC.

Curcumin C3 Reduct® contains Tetrahydrocurcuminoids, one of the major active metabolites of curcumin, making this product more bioavailable than curcumin alone. In studies, tetrahydrocurcuminoids showed a better absorption profile than curcuminoids, along with better stability and a stronger biological activity than curcuminoids. **Curcumin C3 Reduct®** also relieves temporary joint inflammation and pain that may occur after overexertion during intensive physical activity.*

Suggested Use: Take two capsules daily with meal, or as directed by a health care professional.

Precaution/Warning: Do not use if bottle seal is missing, torn or damaged. If you are pregnant, nursing, taking any medication or have a medical condition, consult your healthcare practitioner before taking any dietary supplement. Store in a cool place.

Keep out of reach of children.

* These statements have not been evaluated by the Food and Drug Administration. These product is not intended to diagnose, treat, cure, or prevent any disease.
