

ABOUT PHYTO CERAMIDES:

Phytoceramides play a central role in preserving healthy-looking skin. They are an important lipid component of the skin's membrane, where they provide protection from the elements and lock in moisture. Ceramides make up 35-40% of the binding matrix that maintains moisture balance and protects the surface of your skin.

SUGGESTED USE:

As a dietary supplement take two (1) capsules daily with or without food

ALL NATURAL FORMULA

CAUTION:

Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. Do not exceed recommended dose.
