

BETTER LIVING BEGINS WITHIN

Almega®PL, our proprietary form of algae Omega-3, offers 50% better absorption than fish, krill and other algae oils.¹ Our EPA helps modulate the chronic inflammatory response in support of your joint health. Additionally, we added white willow bark to relieve pain, and a blend of glucosamine HCL and curcumin to reduce stiffness and swelling.

Sustainably farmed in the USA, iwi algae is cultivated in the desert with saltwater and powered by the sun. Not only do we avoid harming the ocean and the life in it, we also give back 1% of our net sales to Ocean Unite. iwi is good for every living thing. Learn more at:
