

Children's Multi SAP™ is a children's multivitamin/mineral blend providing activated coenzyme, bisglycinate, and citrate forms for enhanced bioavailability, optimal nutritional status, and the promotion of healthy growth and development.*

All ingredients listed for this product lot number have been tested by a third-party laboratory for identity, potency, and purity.

Directions for use: Children 4–12 years old: Take 1 scoop once daily with food or as directed by your healthcare practitioner. Mix 1 scoop in 8 oz. (235 ml) or more of water or natural unsweetened fruit juice. Stir well until dissolved. If you are taking other medications, take this product a few hours before or after them.

Contains no: Gluten, soy, wheat, corn protein, eggs, dairy, yeast, preservatives, artificial flavor or color, or sugar.

Cautions and warnings: Consult a healthcare practitioner prior to use if you are taking other medications; if you are taking any other vitamin or mineral supplements; or if you have a liver disorder.

Contraindications: Do not use if you are taking anticoagulants or antiplatelet drugs.

Known adverse reactions: Zinc supplementation can cause copper deficiency. May cause diarrhea.

This product is non-GMO and vegetarian friendly.

Do not use if seal is broken. Keep out of reach of children.

Color, size and smell may vary from one lot to another.

This product is very sensitive to heat and humidity. Store in a cool and dry place. Do not remove silica pack. Ensure lid is closed properly after each use.

● **Warning:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call your physician or Poison Control Center immediately.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
