

Recovery SAP™ supplies an ultrahigh-potency, comprehensive, multistrain probiotic blend in an enteric-coated capsule to help replenish and restore intestinal microflora balance after severe gastrointestinal challenges or disturbances.*

All ingredients listed for this product lot number have been validated by a third-party laboratory for identity, potency, and purity.

Directions for use: Adults, adolescents, and children ≥ 6 years old: Take 1 capsule once or twice daily with water or juice or as directed by your healthcare practitioner. If you are on antibiotic(s), take at least 2-3 hours before or after.

Contains no: Gluten, wheat, corn, eggs, yeast, citrus, preservatives, artificial flavor or color, or sugar.

Cautions and warnings: Consult a healthcare practitioner prior to use if you have fever, vomiting, bloody diarrhoea or severe abdominal pain. Stop use and consult a healthcare practitioner if symptoms of digestive upset (e.g., diarrhea) occur, worsen and/or persists beyond 3 days. This product has come into contact with milk and soy. Do not use this product if you have a milk or soy allergy.

Contraindications: Do not use this product if you have an immune-compromised condition (e.g., AIDS, lymphoma, patients undergoing long-term corticosteroid treatment).

This product is non-GMO and vegetarian friendly.

Do not use if seal is broken. Keep out of reach of children.

Keep refrigerated.

Color, size and smell may vary from one lot to another.
