

InflaCalm SAP™ is a comprehensive, synergistic blend of nutraceuticals, proteolytic enzymes, and herbs scientifically researched to assist in maintaining optimal joint health, and supporting a healthy inflammatory response.* The delayed-release vegetable capsule ensures maximum absorption, utilisation, and efficacy.* Provides mucolytic enzymes.* All ingredients listed for this product lot number have been tested by a third-party laboratory for identity, potency, and purity.

Directions for use: Adults: Take 2 capsules once daily with food or as directed by your healthcare practitioner. Swallow whole; do not crush or chew.

Duration for use: Consult a healthcare practitioner for use beyond 7 days.

Contains no: Gluten, wheat, corn protein, eggs, yeast, citrus, preservatives, artificial flavor or color, starch, or sugar.

Cautions and warnings: Do not use if you are pregnant or breast-feeding. Consult a healthcare practitioner prior to use if you are taking antiplatelet medication; if you have gallstones or a bile duct obstruction; if you have excess stomach acid; if you have gastrointestinal lesions/ulcers, or having a surgery; are taking anticoagulant or blood-thinning agents, anti-inflammatory agents, or antibiotics; or if you are taking other medications or natural health products, as black pepper/piperine may alter their effectiveness. Discontinue use and consult a healthcare practitioner if symptoms persist or worsen.

Known adverse reactions: Hypersensitivity/allergy, nausea, vomiting, and diarrhea have been known to occur; in which case, discontinue use and consult a healthcare practitioner.

Color, size and smell may vary from one lot to another.

This product is non-GMO.

Store in a tightly closed, light-resistant container in a cool, dry place.

Do not use if seal is broken. Keep out of reach of children.
