

NanoCell-Q™ features CoQ₁₀ produced through advanced nanomicelle technology¹—delivering 1,000 times smaller molecules than other micelle technology formulas, which may put the active ingredient closer to cell membranes. CoQ₁₀ is a potent antioxidant and plays a key role in cardiovascular health.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take one teaspoon (5.1 ml) daily either alone or added to a cup of any beverage, or as directed by your healthcare practitioner.

CAUTION: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use.

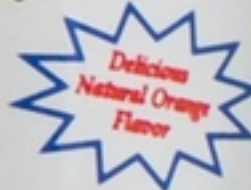

STORAGE: Best to store below 68°F. Okay to refrigerate. At higher temperatures, some settling may occur.
